HUSKISS

Dear Shelagh,

I was so hoping to be able to attend this year's reunion on 20th June, but have a special event to go to on Sunday 21st and have decided I could not get back in time.

My maiden name was

ERICA SPAVINS

SCHOOL TIME - SEPT. 1945 - JULY 1950.

My brother -

MICHAEL SPAVINS also attended SGS for about 3 years being 3 years younger than me. He now lives in WEYMOUTH.

I loved all my time at SGS and the magazine has brought back many happy memories for me.

I was so pleased a couple of years ago to visit Swanage and to see the memorial to the pupils who travelled the line on the station. My family lived at Lulworth Cove. We were picked up by coach from surrounding villages and caught the train from either Wool or Wareham.
