

Hello Steve,

I have your Newsletter here giving information about the Swanage School Reunion on 20th June. I was not sure who to contact so am directing this to you but the letter was sent to my friend - Mary Binder - who lived at this address before me (hence how I got to see the newsletter) and who attended Swanage school. Unfortunately Mary passed away on 21st June 2014. I am attaching a photo from her funeral sheet in case there are people attending the reunion who knew Mary and who would like to know this sad news. She had wrestled with cancer for some 4 years but passed away peacefully with her son and good friends by her side.

If anyone would like to contact me with regard to this please pass them my email, I organised her funeral but it is possible that I missed some people from her past who would have liked to know.

Best wishes,

Sue Milner 07961 694392
